

**NIRMALA COLLEGE
MUVATTUPUZHA
Internal Quality Assurance
Cell (IQAC)**

Establishment of IQAC

- **NAAC proposed the idea of starting an IQAC in the College in January 2004**
- **The Management and the Staff discussed the proposal and found that such a mechanism will be instrumental in better governance of the institution**
- **The College Council met on 1st March 2004 accorded its mandate to establish an IQAC in the College**

Objectives of IQAC

- **Instil a sense of quality consciousness in all stake-holders**
- **Formulate strategies for all-round development of the institution**
- **Develop and prescribe quality standards in the delivery of academic and non-academic programmes**
- **Promote innovative methods of teaching and learning**
- **Formulate internal mechanism for quality checks**
- **Incorporate the stakeholders' inputs in governance**
- **Inculcate value system in students**
- **Suggest measures for improvement**

**Instilling a sense of quality
consciousness in all stake-
holders**

Quality Consciousness

Structure of IQAC

Operation of IQAC

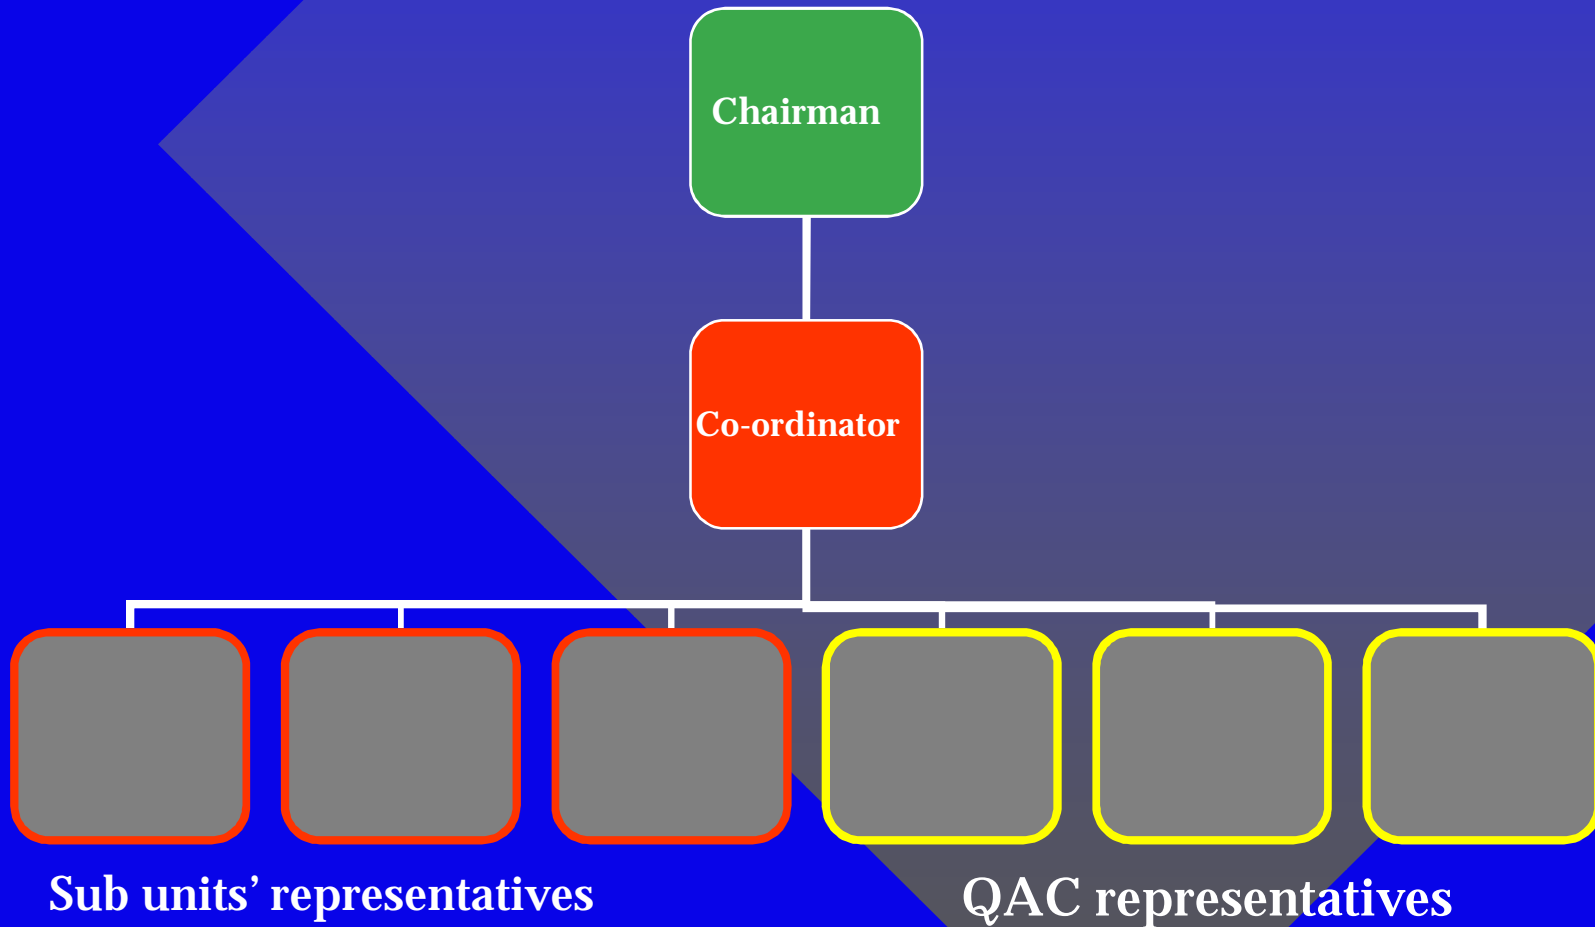

Preparation of AQAR

Preparation of RAR

Structure of IQAC

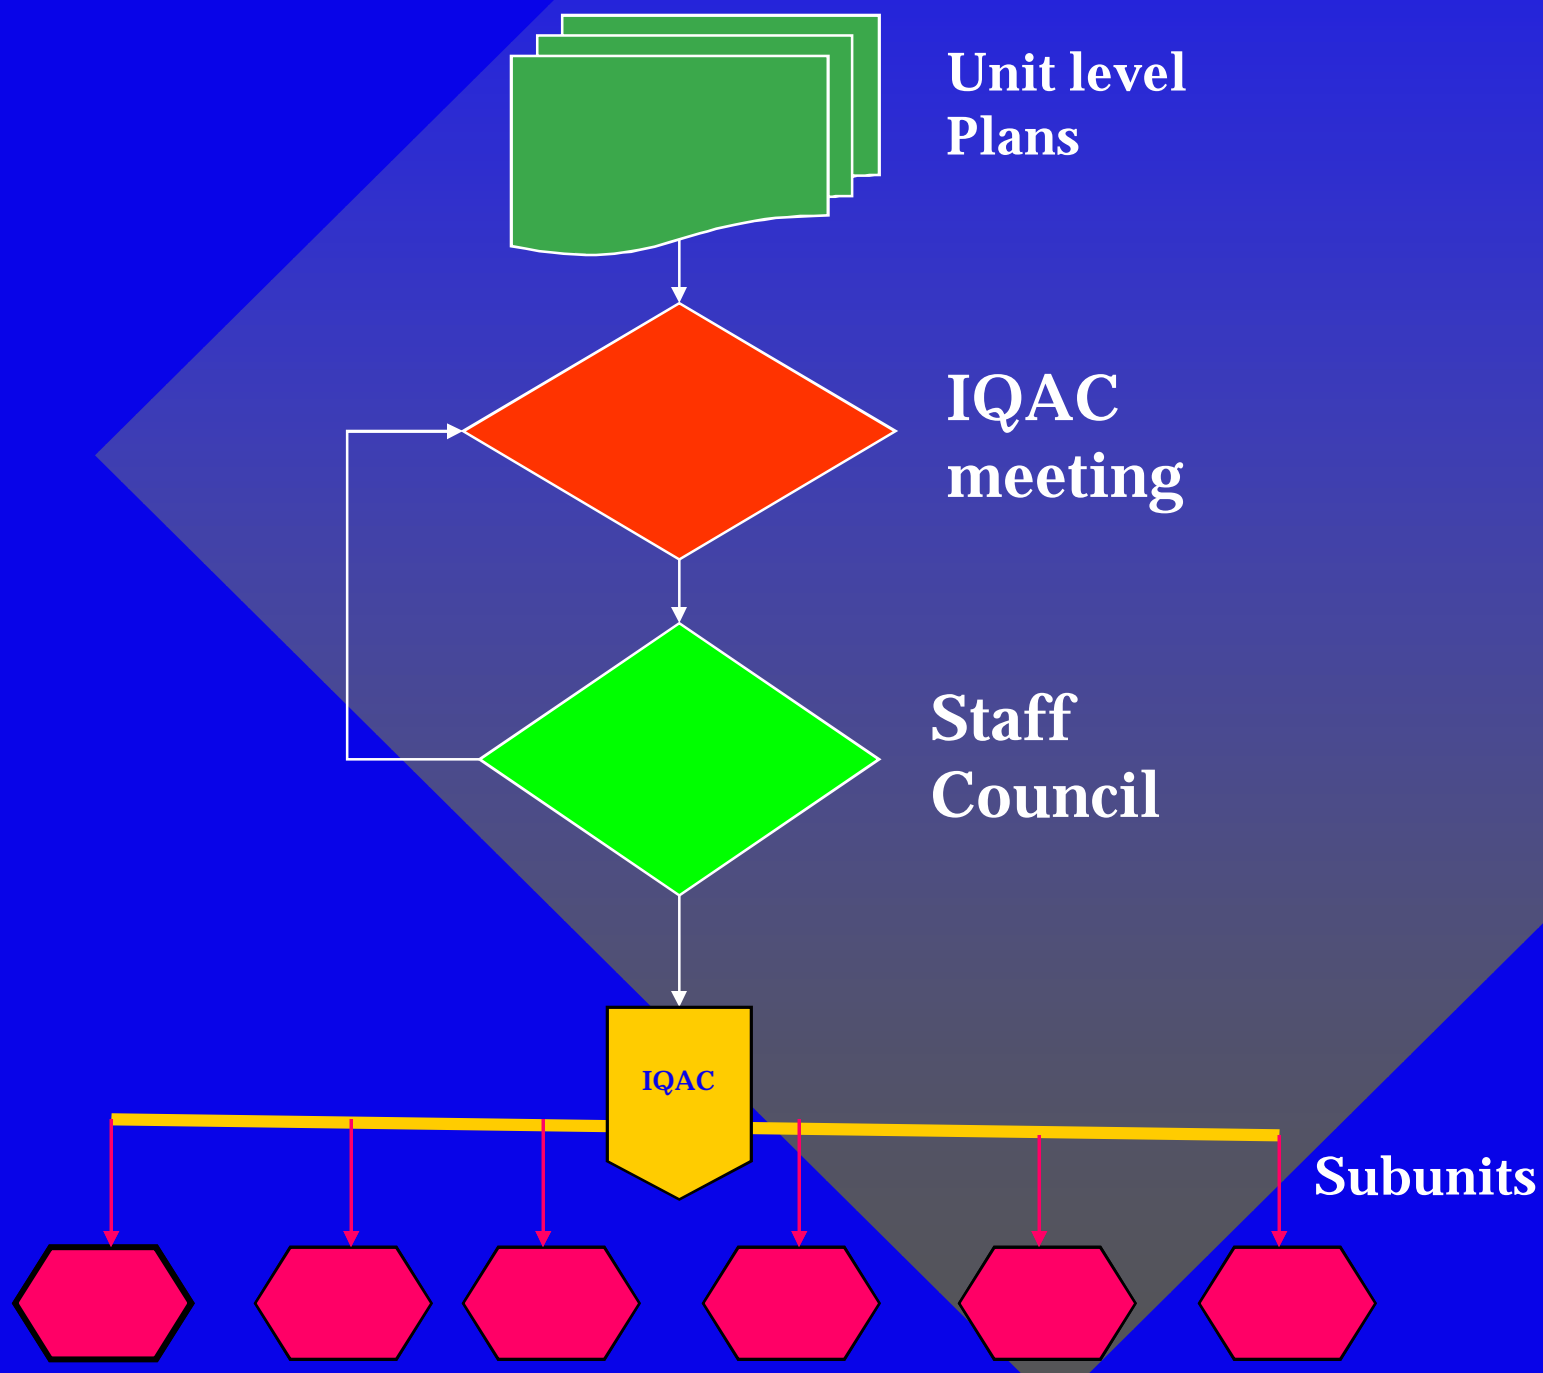

- **Representatives from each department**
- **Representatives from QAC**

Structure of IQAC

Operation of IQAC

- The IQAC member of the sub unit co-ordinates the unit level plans
- The plans from the sub units are discussed in the IQAC meeting
- The IQAC finalises the plans as programmes to be implemented within a scheduled time frame
- The Staff Council approves the programme
- IQAC monitors the implementation of the programmes by the sub units

Preparation of AQAR

- IQAC member of the respective subunits prepares annual reports.
- IQAC meeting discusses the annual reports of the subunits.
- IQAC consolidates the reports and prepares the AQAR
- IQAC submitted eight AQAR since 2004
